MANUFACTURER OF FIRE CABINETS

الديار لصناعة الانتغال المعدنيه للمباني ALDEYAR METAL BLD. CONS. IND

We are pleased to introduce ourselves as Al Deyar Metal Bld. Cons. located in Industrial Area 13, Sharjah in United Arab Emirates. and now we introduce our new branch in Egypt, We are manufacturing a wide range of Fire Cabinets. We are making all types of Fire Cabinet like Fire Hose Reel Cabinets, Fire Extinguisher Cabinets, Fire Hose Cabinets, Breeching Inlet Cabinets, Mimic Panels, Garbage Chute, Control Panel etc. We have more than 25 years experience in this field. We are using high quality materials and manufacturing techniques. We have the best team of Engineers & technicians with the latest technology in hand to accommodate the needs of our customers from the design stage to the completion of the project. We have made lots of cabinets to different projects in UAE, Egypt, Oman, Bahrain, Saudi Arabia, Jordan etc.

- We can produce any type of fire cabinets as per the client's requirement.
- We have all the facilities like CNC Punching, Laser Machines, Water jet Cutting, CNC Bending, Powder Coating, Transportation etc.
